### MR. SPEAKER:

*Your Committee on Labor and Employment, to which was referred House Bill 1558, has had the same under consideration and begs leave to report the same back to the House with the recommendation that said bill **be amended** as follows:*

1 Delete everything after the enacting clause and insert the following:  
2 SECTION 1. IC 22-4-11-1, AS AMENDED BY P.L.290-2001,  
3 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
4 JULY 1, 2003]: Sec. 1. (a) For the purpose of charging employers'  
5 experience or reimbursable accounts with regular benefits paid  
6 subsequent to July 3, 1971, to any eligible individual but except as  
7 provided in IC 22-4-22 and subsection (f), such benefits paid shall be  
8 charged proportionately against the experience or reimbursable  
9 accounts of ~~his~~ **the individual's** employers in ~~his~~ **the individual's** base  
10 period (on the basis of total wage credits established in such base  
11 period) against whose accounts the maximum charges specified in this  
12 section shall not have been previously made. Such charges shall be  
13 made in the inverse chronological order in which the wage credits of

such individuals were established. However, when an individual's claim has been computed for the purpose of determining ~~his~~ **the individual's** regular benefit rights, maximum regular benefit amount, and the proportion of such maximum amount to be charged to the experience or reimbursable accounts of respective chargeable employers in the base period, the experience or reimbursable account of any employer charged with regular benefits paid shall not be credited or reccredited with any portion of such maximum amount because of any portion of such individual's wage credits remaining uncharged at the expiration of ~~his~~ **the individual's** benefit period. The maximum so charged against the account of any employer shall not exceed twenty-eight percent (28%) of the total wage credits of such individual with each such employer with which wage credits were established during such individual's base period. Benefits paid under provisions of IC 22-4-22-3 in excess of the amount that the claimant would have been monetarily eligible for under other provisions of this article shall be paid from the fund and not charged to the experience account of any employer. ~~however,~~ This exception shall not apply to those employers electing to make payments in lieu of contributions who shall be charged for all benefit payments which are attributable to service in their employ. Irrespective of the twenty-eight percent (28%) maximum limitation provided for in this section, any extended benefits paid to an eligible individual based on service with a governmental entity of this state or its political subdivisions shall be charged to the experience or reimbursable accounts of the employers, and fifty percent (50%) of any extended benefits paid to an eligible individual shall be charged to the experience or reimbursable accounts of ~~his~~ **the individual's** employers in ~~his~~ **the individual's** base period, other than governmental entities of this state or its political subdivisions, in the same proportion and sequence as are provided in this section for regular benefits paid. Additional benefits paid under IC 22-4-12-4(c) **and benefits paid under IC 22-4-15-1(c)(8)** shall:

(1) be paid from the fund; and

(2) not be charged to the experience account or the reimbursable account of any employer.

(b) If the aggregate of wages paid to an individual by two (2) or more employers during the same calendar quarter exceeds the maximum wage credits (as defined in IC 22-4-4-3) then the experience

1 or reimbursable account of each such employer shall be charged in the  
2 ratio which the amount of wage credits from such employer bears to the  
3 total amount of wage credits during the base period.

4 (c) When wage records show that an individual has been employed  
5 by two (2) or more employers during the same calendar quarter of the  
6 base period but do not indicate both that such employment was  
7 consecutive and the order of sequence thereof, then and in such cases  
8 it shall be deemed that the employer with whom the individual  
9 established a plurality of wage credits in such calendar quarter is the  
10 most recent employer in such quarter and its experience or  
11 reimbursable account shall be first charged with benefits paid to such  
12 individual. The experience or reimbursable account of the employer  
13 with whom the next highest amount of wage credits were established  
14 shall be charged secondly and the experience or reimbursable accounts  
15 of other employers during such quarters, if any, shall likewise be  
16 charged in order according to plurality of wage credits established by  
17 such individual.

18 (d) Except as provided in subsection (f), if an individual:

19 (1) voluntarily leaves an employer without good cause in  
20 connection with the work; or

21 (2) is discharged from an employer for just cause;

22 wage credits earned with the employer from whom the employee has  
23 separated under these conditions shall be used to compute the  
24 claimant's eligibility for benefits, but charges based on such wage  
25 credits shall be paid from the fund and not charged to the experience  
26 account of any employer. However, this exception shall not apply to  
27 those employers who elect to make payments in lieu of contributions,  
28 who shall be charged for all benefit payments which are attributable to  
29 service in their employ.

30 (e) Any nonprofit organization which elects to make payments in  
31 lieu of contributions into the unemployment compensation fund as  
32 provided in this article is not liable to make the payments with respect  
33 to the benefits paid to any individual whose base period wages include  
34 wages for previously uncovered services as defined in IC 22-4-4-4, nor  
35 is the experience account of any other employer liable for charges for  
36 benefits paid the individual to the extent that the unemployment  
37 compensation fund is reimbursed for these benefits pursuant to Section  
38 121 of P.L.94-566. Payments which otherwise would have been

chargeable to the reimbursable or contributing employers shall be charged to the fund.

(f) If an individual:

(1) earns wages during ~~his~~ **the individual's** base period through employment with two (2) or more employers concurrently;

(2) is separated from work by one (1) of the employers for reasons that would not result in disqualification under IC 22-4-15-1; and

(3) continues to work for one (1) or more of the other employers after the end of the base period and continues to work during the applicable benefit year on substantially the same basis as during the base period;

wage credits earned with the base period employers shall be used to compute the claimant's eligibility for benefits, but charges based on the wage credits from the employer who continues to employ the individual shall be charged to the experience or reimbursable account of the separating employer.

(g) Subsection (f) does not affect the eligibility of a claimant who otherwise qualifies for benefits nor the computation of ~~his~~ benefits.

(h) Unemployment benefits paid shall not be charged to the experience account of a base period employer when the claimant's unemployment from the employer was a direct result of the condemnation of property by a municipal corporation (as defined in IC 36-1-2-10), the state, or the federal government, a fire, a flood, or an act of nature, when at least fifty percent (50%) of the employer's employees, including the claimant, became unemployed as a result. This exception does not apply when the unemployment was an intentional result of the employer or a person acting on behalf of the employer.

SECTION 2. IC 22-4-14-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 3. (a) **This section does not apply to an individual who is receiving benefits as determined under IC 22-4-15-1(c)(8).**

(b) An unemployed individual shall be eligible to receive benefits with respect to any week only if the individual:

(1) is physically and mentally able to work;

(2) is available for work;

(3) is found by the department to be making an effort to secure full-time work; and

(4) participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust regular benefits and to need reemployment services under a profiling system established by the commissioner, unless the commissioner determines that:

(A) the individual has completed the reemployment services;

or

(B) failure by the individual to participate in or complete the reemployment services is excused by the director under IC 22-4-14-2(b).

The term "effort to secure full-time work" shall be defined by the board through rule which shall take into consideration whether such individual has a reasonable assurance of reemployment and, if so, the length of the prospective period of unemployment. However, if an otherwise eligible individual is unable to work or unavailable for work on any normal work day of the week the individual shall be eligible to receive benefits with respect to such week reduced by one-third (1/3) of the individual's weekly benefit amount for each day of such inability to work or unavailability for work.

~~(b)~~ (c) For the purpose of this article, unavailability for work of an individual exists in, but is not limited to, any case in which, with respect to any week, it is found:

(1) that such individual is engaged by any unit, agency, or instrumentality of the United States, in charge of public works or assistance through public employment; or any unit, agency, or instrumentality of this state, or any political subdivision thereof, in charge of any public works or assistance through public employment;

(2) that such individual is in full-time active military service of the United States, or is enrolled in civilian service as a conscientious objector to military service;

(3) that such individual is suspended for misconduct in connection with the individual's work; or

(4) that such individual is in attendance at a regularly established public or private school during the customary hours of the individual's occupation or is in any vacation period intervening between regular school terms during which the individual is a student. However, this subdivision does not apply to any

individual who is attending a regularly established school, has been regularly employed and upon becoming unemployed makes an effort to secure full-time work and ~~holds himself is~~ is available for suitable full-time work with the individual's last employer, or ~~holds himself is~~ is available for any other full-time employment deemed suitable.

(~~c~~) (d) Notwithstanding any other provisions in this section or IC 22-4-15-2, no otherwise eligible individual shall be denied benefits for any week because the individual is in training with the approval of the department, nor shall such individual be denied benefits with respect to any week in which the individual is in training with the approval of the department by reason of the application of the provisions of this section with respect to the availability for work or active search for work or by reason of the application of the provisions of IC 22-4-15-2 relating to failure to apply for, or the refusal to accept, suitable work. The board shall by rule prescribe the conditions under which approval of such training will be granted.

SECTION 3. IC 22-4-15-1, AS AMENDED BY P.L.290-2001, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 1. (a) With respect to benefit periods established on and after July 6, 1980, an individual who has voluntarily left the individual's most recent employment without good cause in connection with the work or who was discharged from the individual's most recent employment for just cause is ineligible for waiting period or benefit rights for the week in which the disqualifying separation occurred and until the individual has earned remuneration in employment equal to or exceeding the weekly benefit amount of the individual's claim in each of eight (8) weeks. If the qualification amount has not been earned at the expiration of an individual's benefit period, the unearned amount shall be carried forward to an extended benefit period or to the benefit period of a subsequent claim.

(b) When it has been determined that an individual has been separated from employment under disqualifying conditions as outlined in this section, the maximum benefit amount of ~~his~~ **the individual's** current claim, as initially determined, shall be reduced by twenty-five percent (25%). If twenty-five percent (25%) of the maximum benefit amount is not an even dollar amount, the amount of such reduction will be raised to the next higher even dollar amount. The maximum benefit

1 amount may not be reduced by more than twenty-five percent (25%)  
2 during any benefit period or extended benefit period.

3 (c) The disqualifications provided in this section shall be subject to  
4 the following modifications:

5 (1) An individual shall not be subject to disqualification because  
6 of separation from the individual's employment if:

7 (A) the individual left to accept with another employer  
8 previously secured permanent full-time work which offered  
9 reasonable expectation of continued covered employment and  
10 betterment of wages or working conditions; and thereafter was  
11 employed on said job;

12 (B) having been simultaneously employed by two (2)  
13 employers, the individual leaves one (1) such employer  
14 voluntarily without good cause in connection with the work  
15 but remains in employment with the second employer with a  
16 reasonable expectation of continued employment; or

17 (C) the individual left to accept recall made by a base period  
18 employer.

19 (2) An individual whose unemployment is the result of medically  
20 substantiated physical disability and who is involuntarily  
21 unemployed after having made reasonable efforts to maintain the  
22 employment relationship shall not be subject to disqualification  
23 under this section for such separation.

24 (3) An individual who left work to enter the armed forces of the  
25 United States shall not be subject to disqualification under this  
26 section for such leaving of work.

27 (4) An individual whose employment is terminated under the  
28 compulsory retirement provision of a collective bargaining  
29 agreement to which the employer is a party, or under any other  
30 plan, system, or program, public or private, providing for  
31 compulsory retirement and who is otherwise eligible shall not be  
32 deemed to have left the individual's work voluntarily without  
33 good cause in connection with the work. However, if such  
34 individual subsequently becomes reemployed and thereafter  
35 voluntarily leaves work without good cause in connection with the  
36 work, the individual shall be deemed ineligible as outlined in this  
37 section.

38 (5) An otherwise eligible individual shall not be denied benefits

for any week because the individual is in training approved under Section 236(a)(1) of the Trade Act of 1974, nor shall the individual be denied benefits by reason of leaving work to enter such training, provided the work left is not suitable employment, or because of the application to any week in training of provisions in this law (or any applicable federal unemployment compensation law), relating to availability for work, active search for work, or refusal to accept work. For purposes of this subdivision, the term "suitable employment" means with respect to an individual, work of a substantially equal or higher skill level than the individual's past adversely affected employment (as defined for purposes of the Trade Act of 1974), and wages for such work at not less than eighty percent (80%) of the individual's average weekly wage as determined for the purposes of the Trade Act of 1974.

(6) An individual is not subject to disqualification because of separation from the individual's employment if:

- (A) the employment was outside the individual's labor market;
- (B) the individual left to accept previously secured full-time work with an employer in the individual's labor market; and
- (C) the individual actually became employed with the employer in the individual's labor market.

(7) An individual who, but for the voluntary separation to move to another labor market to join a spouse who had moved to that labor market, shall not be disqualified for that voluntary separation, if the individual is otherwise eligible for benefits. Benefits paid to the spouse whose eligibility is established under this subdivision shall not be charged against the employer from whom the spouse voluntarily separated.

**(8) An individual shall not be subject to disqualification if the individual voluntarily left employment or was discharged due to circumstances directly caused by domestic or family violence (as defined in IC 31-9-2-42). An individual who may be entitled to benefits based on this modification may apply to the office of the attorney general to have an address designated by the office of the attorney general to serve as the individual's address for purposes of this article under IC 5-26.5.**

As used in this subsection, "labor market" means the area surrounding an individual's permanent residence, outside which the individual cannot reasonably commute on a daily basis. In determining whether an individual can reasonably commute under this subdivision, the department shall consider the nature of the individual's job.

(d) "Discharge for just cause" as used in this section is defined to include but not be limited to:

- (1) separation initiated by an employer for falsification of an employment application to obtain employment through subterfuge;
- (2) knowing violation of a reasonable and uniformly enforced rule of an employer;
- (3) unsatisfactory attendance, if the individual cannot show good cause for absences or tardiness;
- (4) damaging the employer's property through willful negligence;
- (5) refusing to obey instructions;
- (6) reporting to work under the influence of alcohol or drugs or consuming alcohol or drugs on employer's premises during working hours;
- (7) conduct endangering safety of self or coworkers; or
- (8) incarceration in jail following conviction of a misdemeanor or felony by a court of competent jurisdiction or for any breach of duty in connection with work which is reasonably owed an employer by an employee.

SECTION 4. IC 22-4-15-2, AS AMENDED BY P.L.290-2001, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 2. (a) With respect to benefit periods established on and after July 3, 1977, an individual is ineligible for waiting period or benefit rights, or extended benefit rights, if the department finds that, being totally, partially, or part-totally unemployed at the time when the work offer is effective or when the individual is directed to apply for work, the individual fails without good cause:

- (1) to apply for available, suitable work when directed by the commissioner, the deputy, or an authorized representative of the department of workforce development or the United States training and employment service;
- (2) to accept, at any time after the individual is notified of a separation, suitable work when found for and offered to the

1 individual by the commissioner, the deputy, or an authorized  
2 representative of the department of workforce development or the  
3 United States training and employment service, or an employment  
4 unit; or

5 (3) to return to the individual's customary self-employment when  
6 directed by the commissioner or the deputy.

7 (b) With respect to benefit periods established on and after July 6,  
8 1980, the ineligibility shall continue for the week in which the failure  
9 occurs and until the individual earns remuneration in employment  
10 equal to or exceeding the weekly benefit amount of the individual's  
11 claim in each of eight (8) weeks. If the qualification amount has not  
12 been earned at the expiration of an individual's benefit period, the  
13 unearned amount shall be carried forward to an extended benefit period  
14 or to the benefit period of a subsequent claim.

15 (c) With respect to extended benefit periods established on and after  
16 July 5, 1981, the ineligibility shall continue for the week in which the  
17 failure occurs and until the individual earns remuneration in  
18 employment equal to or exceeding the weekly benefit amount of the  
19 individual's claim in each of four (4) weeks.

20 (d) If an individual failed to apply for or accept suitable work as  
21 outlined in this section, the maximum benefit amount of the  
22 individual's current claim, as initially determined, shall be reduced by  
23 twenty-five percent (25%). If twenty-five percent (25%) of the  
24 maximum benefit amount is not an even dollar amount, the amount of  
25 such reduction shall be raised to the next higher even dollar amount.  
26 The maximum benefit amount of the individual's current claim may not  
27 be reduced by more than twenty-five percent (25%) during any benefit  
28 period or extended benefit period.

29 (e) In determining whether or not any such work is suitable for an  
30 individual, the department shall consider:

31 (1) the degree of risk involved to such individual's health, safety,  
32 and morals;

33 (2) the individual's physical fitness and prior training and  
34 experience;

35 (3) the individual's length of unemployment and prospects for  
36 securing local work in the individual's customary occupation; and

37 (4) the distance of the available work from the individual's  
38 residence.

1 However, work under substantially the same terms and conditions  
2 under which the individual was employed by a base-period employer,  
3 which is within the individual's prior training and experience and  
4 physical capacity to perform, shall be considered to be suitable work  
5 unless the claimant has made a bona fide change in residence which  
6 makes such offered work unsuitable to the individual because of the  
7 distance involved. **For an individual who is not disqualified under**  
8 **IC 22-4-15-1(c)(8), the determination of suitable work for the**  
9 **individual must reasonably accommodate the individual's need to**  
10 **address the physical, psychological, legal, and other effects of**  
11 **domestic or family violence.**

12 (f) Notwithstanding any other provisions of this article, no work  
13 shall be considered suitable and benefits shall not be denied under this  
14 article to any otherwise eligible individual for refusing to accept new  
15 work under any of the following conditions:

16 (1) If the position offered is vacant due directly to a strike,  
17 lockout, or other labor dispute.

18 (2) If the remuneration, hours, or other conditions of the work  
19 offered are substantially less favorable to the individual than  
20 those prevailing for similar work in the locality.

21 (3) If as a condition of being employed the individual would be  
22 required to join a company union or to resign from or refrain from  
23 joining a bona fide labor organization.

24 (4) If as a condition of being employed the individual would be  
25 required to discontinue training into which the individual had  
26 entered with the approval of the department.

27 (g) Notwithstanding subsection (e), with respect to extended benefit  
28 periods established on and after July 5, 1981, "suitable work" means  
29 any work which is within an individual's capabilities. However, if the  
30 individual furnishes evidence satisfactory to the department that the  
31 individual's prospects for obtaining work in the individual's customary  
32 occupation within a reasonably short period are good, the  
33 determination of whether any work is suitable work shall be made as  
34 provided in subsection (e).

35 (h) With respect to extended benefit periods established on and after  
36 July 5, 1981, no work shall be considered suitable and extended  
37 benefits shall not be denied under this article to any otherwise eligible  
38 individual for refusing to accept new work under any of the following

1 conditions:

- 2 (1) If the gross average weekly remuneration payable to the  
 3 individual for the position would not exceed the sum of:  
 4 (A) the individual's average weekly benefit amount for the  
 5 individual's benefit year; plus  
 6 (B) the amount (if any) of supplemental unemployment  
 7 compensation benefits (as defined in Section 501(c)(17)(D) of  
 8 the Internal Revenue Code) payable to the individual for such  
 9 week.  
 10 (2) If the position was not offered to the individual in writing or  
 11 was not listed with the department of workforce development.  
 12 (3) If such failure would not result in a denial of compensation  
 13 under the provisions of this article to the extent that such  
 14 provisions are not inconsistent with the applicable federal law.  
 15 (4) If the position pays wages less than the higher of:  
 16 (A) the minimum wage provided by 29 U.S.C. 206(a)(1) (The  
 17 Fair Labor Standards Act of 1938), without regard to any  
 18 exemption; or  
 19 (B) the state minimum wage (IC 22-2-2).  
 20 (i) The department of workforce development shall refer individuals  
 21 eligible for extended benefits to any suitable work (as defined in  
 22 subsection (g)) to which subsection (h) would not apply.  
 23 SECTION 5. IC 22-4-17-2, AS AMENDED BY P.L.290-2001,  
 24 SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
 25 JULY 1, 2003]: Sec. 2. (a) When an individual files an initial claim, the  
 26 department shall promptly make a determination of ~~his~~ **the**  
 27 **individual's** status as an insured worker in a form prescribed by the  
 28 board. A written notice of the determination of insured status shall be  
 29 furnished ~~him~~ **the individual** promptly. Each such determination shall  
 30 be based on and include a written statement showing the amount of  
 31 wages paid to the individual for insured work by each employer during  
 32 the individual's base period and shall include a finding as to whether  
 33 such wages meet the requirements for the individual to be an insured  
 34 worker, and, if so, the week ending date of the first week of the  
 35 individual's benefit period, the individual's weekly benefit amount, and  
 36 the maximum amount of benefits that may be paid to the individual for  
 37 weeks of unemployment in the individual's benefit period. For the  
 38 individual who is not insured, the notice shall include the reason for the

1 determination. Unless the individual, within twenty (20) days after such  
2 determination was mailed to the individual's last known address, or  
3 otherwise delivered to the individual, asks a hearing thereon before an  
4 administrative law judge, such determination shall be final and benefits  
5 shall be paid or denied in accordance therewith.

6 (b) **Except as provided in subsection (i)**, the department shall  
7 promptly furnish each employer in the base period whose experience  
8 or reimbursable account is potentially chargeable with benefits to be  
9 paid to such individual with a notice in writing of the employer's  
10 benefit liability. Such notice shall contain the date, the name and social  
11 security account number of the individual, the ending date of the  
12 individual's base period, and the week ending date of the first week of  
13 the individual's benefit period. Such notice shall further contain  
14 information as to the proportion of benefits chargeable to the  
15 employer's experience or reimbursable account in ratio to the earnings  
16 of such individual from such employer. Unless the employer, within  
17 twenty (20) days after such notice of benefit liability was mailed to the  
18 employer's last known address, or otherwise delivered to the employer,  
19 asks a hearing thereon before an administrative law judge, such  
20 determination shall be final and benefits paid shall be charged in  
21 accordance therewith.

22 (c) An employing unit, including an employer, having knowledge  
23 of any facts which may affect an individual's eligibility or right to  
24 waiting period credits or benefits, shall notify the department of such  
25 facts within twenty (20) days after the mailing of notice that a former  
26 employee has filed an initial or additional claim for benefits on a form  
27 prescribed by the board.

28 (d) In addition to the foregoing determination of insured status by  
29 the department, the deputy shall, throughout the benefit period,  
30 determine the claimant's eligibility with respect to each week for which  
31 the claimant claims waiting period credit or benefit rights, the validity  
32 of the claimant's claim therefor, and the cause for which the claimant  
33 left the claimant's work, or may refer such claim to an administrative  
34 law judge who shall make the initial determination with respect thereto  
35 in accordance with the procedure in IC 22-4-17-3.

36 (e) In cases where the claimant's benefit eligibility or  
37 disqualification is disputed, the department shall promptly notify the  
38 claimant and the employer or employers directly involved or connected

1 with the issue raised as to the validity of such claim, the eligibility of  
2 the claimant for waiting period credit or benefits, or the imposition of  
3 a disqualification period or penalty, or the denial thereof, and of the  
4 cause for which the claimant left the claimant's work, of such  
5 determination and the reasons thereof. Except as otherwise hereinafter  
6 provided in this subsection regarding parties located in Alaska, Hawaii,  
7 and Puerto Rico, unless the claimant or such employer, within twenty  
8 (20) days after such notification was mailed to the claimant's or the  
9 employer's last known address, or otherwise delivered to the claimant  
10 or the employer, asks a hearing before an administrative law judge  
11 thereon, such decision shall be final and benefits shall be paid or  
12 denied in accordance therewith. With respect to notice of disputed  
13 administrative determination or decision mailed or otherwise delivered  
14 to the claimant or employer either of whom is located in Alaska,  
15 Hawaii, or Puerto Rico, unless such claimant or employer, within  
16 twenty-five (25) days after such notification was mailed to the  
17 claimant's or employer's last known address or otherwise delivered to  
18 the claimant or employer, asks a hearing before an administrative law  
19 judge thereon, such decision shall be final and benefits shall be paid or  
20 denied in accordance therewith. If such hearing is desired, the request  
21 therefor shall be filed with the commissioner in writing within the  
22 prescribed periods as above set forth in this subsection and shall be in  
23 such form as the board may prescribe. In the event a hearing is  
24 requested by an employer or the department after it has been  
25 administratively determined that benefits should be allowed to a  
26 claimant, entitled benefits shall continue to be paid to said claimant  
27 unless said administrative determination has been reversed by a due  
28 process hearing. Benefits with respect to any week not in dispute shall  
29 be paid promptly regardless of any appeal.

30 (f) No person may participate on behalf of the department in any  
31 case in which the person is an interested party.
